Draft Response to Annie Crowder

Annie,

Thank you — this is clear. Here's what I'm thinking:

1. **Mosyle** — Shannon, I'd love to schedule some time with you so I can review the current configuration and licensing tier. Once I've had a chance to look at what's in place, I'll be in a much better position to give you a sense of what the move to OneK12 might involve.
2. **Wi-Fi** — Avram, nice to meet you virtually. I understand you've already done some work on the Wi-Fi side. Do you have time to meet either next week (Wed–Fri, June 25–27) or the week after the 4th? I'd love to hear where things stand — not to get in the way of what you're doing, just to understand the landscape.
3. **Next steps** — After I've had a chance to meet with both Shannon and Avram, I'll share my thoughts with you and we can go from there.

Looking forward to it.

Frank
